KK Petrovgrad — Our Local Partner

ZRENJANIN'S BASKETBALL CLUB

The Serbia Basketball Summer Hub is built in partnership with KK Petrovgrad, Zrenjanin's leading basketball club. With a strong youth development tradition and deep roots in the local basketball community, KK Petrovgrad provides the coaching expertise, local knowledge and competitive connections that make the Hub possible.

The Vision

2027 IS ONLY THE BEGINNING

Building an International Summer Basketball Destination

Long-Term Vision

Establish Zrenjanin as a recognized European summer destination for basketball clubs and academies. Every summer: **More Teams. More Countries. More Games. More Basketball.**

- International friendly games & mini tournaments
- Player development programs & coaching clinics
- Academy networking & showcase games
- International youth events

Serbia: A Basketball Country

Come to a Country Where Basketball Matters.

Serbia is internationally recognized for its basketball tradition, coaching culture and systematic approach to player development. Generations of elite players and coaches have developed through the Serbian basketball system.

Basketball here is more than a sport. **It is part of the culture.**

For visiting players and coaches, the Summer Hub provides the opportunity to train, compete and develop inside an authentic Serbian basketball environment.

Zrenjanin: City of Sport

A CITY OF CHAMPIONS

Located in the heart of Vojvodina, Zrenjanin has a rich sporting heritage and a proud tradition of producing Olympic, World and European champions across numerous disciplines.

Its sporting legacy includes renowned athletes such as Ivana Španović, Vladimir and Nikola Grbić, Maja Ognjenović, Jovana Brakočević, Slobodan Nikić, Ivan Lender, Zvonko Vujin, Aleksandar Komarov, Snežana Pantić, Duško and Zoran Tošić.

Once known as Petrovgrad, the city's history and sporting spirit live on through KK Petrovgrad, connecting new generations of young athletes with their hometown's heritage.

Basketball Legacy

Zrenjanin has made a remarkable contribution to Serbian and European basketball.

Dejan Bodiroga, a two-time World Champion, three-time European Champion and Olympic silver medalist, is one of the most celebrated figures in European basketball. Today, he serves as President of Euroleague Basketball.

Žarko Čabarkapa, a 2002 World Champion and former NBA player, represents another remarkable success story from Zrenjanin.

Dejan Davidovac, an Olympic bronze medalist and Serbian national team player, continues the city's proud basketball tradition.

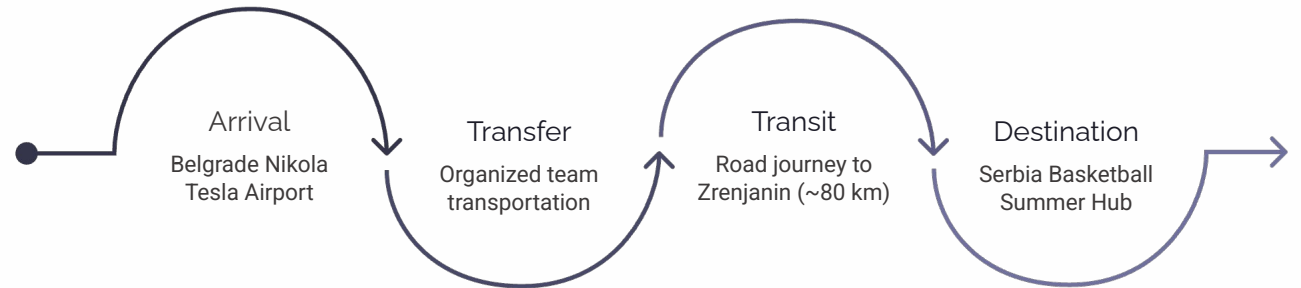

TRAIN IN A CITY WHERE CHAMPIONS ARE MADE.

Location & Access

CLOSE TO BELGRADE. EVERYTHING CLOSE IN ZRENJANIN.

Zrenjanin is located approximately **80 km from Belgrade Nikola Tesla Airport**. International teams arrive in Belgrade, where organized transportation takes them directly to Zrenjanin. Airport transfers in both directions are included in the package.

The Basketball Campus

Everything Your Team Needs. Within Minutes.

One of the biggest advantages of Zrenjanin is its **compact infrastructure**. Training venues, accommodation and the city centre are concentrated within approximately **5–7 minutes walking distance**, allowing teams to focus entirely on basketball.

Kristalna Dvorana

Professional main arena – FIBA standard

Medison Sports Hall

ZRENJANIN BASKETBALL CAMPUS

EVERYTHING WITHIN MINUTES

Accommodation - Training Facilities - City Centre

The Zrenjanin Basketball Campus connects two accommodation locations with three training facilities. Players have access to Crystal Hall and Medison Hall, both located at Karađorđev Trg, as well as the Zrenjanin Gymnasium gym. Accommodation is provided at Hotel Vojvodina and the Student Residence.

● **Blue Route – Hotel Vojvodina → Crystal Hall / Medison Hall**

The walking route from Hotel Vojvodina leads to the main sports complex at Karađorđev Trg, where both sports halls are located. The route goes through Karađorđev Park, providing a pleasant and convenient daily walk.

Distance: approx. 1 km | Walking time: 13 min

● **Green Route – Student Residence → Crystal Hall / Medison Hall**

The Student Residence is connected to both sports halls by a walking route that also goes through Karađorđev Park.

Distance: approx. 800 m | Walking time: 10 min

● **Red Route – Student Residence → Zrenjanin Gymnasium gym**

The Zrenjanin Gymnasium School provides an additional training facility and is easily accessible on foot from the Student Residence.

Distance: approx. 500 m | Walking time: 6 min

● **Hotel Vojvodina → Zrenjanin Gymnasium gym**

The hotel and the school are located practically next to each other.

Distance: approx. 80 m | Walking time: 1 min

Together, the two accommodation locations and three training facilities form a compact, walkable basketball campus, with short walking distances and no need for organized transport for most daily activities. The routes to the main sports halls also take players through Karađorđev Park, making the daily walk part of the campus experience.

Three Basketball Facilities

MORE COURTS. MORE FLEXIBILITY. MORE BASKETBALL.

Coach Stanoje Novaković

KK PETROVGRAD — FOUNDER & HEAD OF PLAYER DEVELOPMENT

Stanoje Novaković is a basketball coach with over 19 years of experience in youth and individual player development. As the founder of KK Petrovgrad, he has helped develop over 2,000 young athletes, with numerous players progressing from the club to represent Serbia at youth national team level.

He holds a FIBA Europe Coaching Certificate (FECC), attended the EuroLeague Head Coaches Board Academy, and gained international experience as a Player Development Coach for the Serbian and Qatar Basketball Federation.

Individual Player Development Sessions

EXTRA PACKAGE – SMALL GROUP WORK

Our individual development sessions are designed for players who want to take their game beyond regular team practice. Led by **Coach Stanoje Novaković**, the program offers personalized attention in small groups, focusing on each player's skills, technique and individual development needs.

Players can choose between two specialized programs: **Skills Development**, focused on overall basketball fundamentals and game performance, and **Shooting Lab**, dedicated to improving shooting technique, accuracy and consistency.

Both programs provide a structured training environment with an individual approach to every player.
